MEMORANDUM FOR RECORD

SUBJECT: NSA Involvement in GRILL FLAME (S)

1. (U) Reference CG, INSCOM information requirement, 26 August 1982.

2. (S/NOFORN) The following information was obtained during conversations with NSA personnel on 27 August 1982. No direct questions were asked:

a. (S/NOFORN) Internal designation of NSA activity in parapsychology is [redacted] (This was obtained as [redacted] was explaining NSA effort in meeting 27 August 1982.)

b. (S/NOFORN) NSA has no active remote viewers. (Private conversation [redacted] 27 August 1982)

3. (S/NOFORN) Because of questions and requests for material, as by [redacted] I believe no personnel have been selected, nor any training program devised. Following are samples:

- a. How are people selected?
- b. How involved is (staff) psychologist in the selection?
- c. Which battery of psychological tests are administered?
- d. How often do Remote Viewers meet with the (staff) psychologist?
- e. Can a copy of our screening questionnaire be provided? (Copy provided without scoring key)
- f. What open source material is available? (Provided copies of articles from Signal and Omni Magazines and IEEE article by Dr. Jahn, Dean Engineering School, Princeton University.)
- g. What type internal training program do you have?
- h. What type training did SRI provide in the past?
- i. How often does SRI offer training?
- j. Are any ex-project participants at NSA?

4. (S/NOFORN) Dr Hal Puthoff, SRI, contacted [redacted] to tell him some of their funding had not materialized and invited him (NSA) to come

NSA review(s) completed
